

THE NAMES AND TITLES OF GOD & THEIR IMPORTANCE

In biblical times, a name did more than identify a person — it revealed character and attribute. Scripture uses many names for God, each one highlighting a facet of His nature or a promise to His people. The first name God uses for Himself in Scripture appears in Genesis 17:1, when He tells Abram, “I am God Almighty” (El Shaddai). As we study these names—Yahweh, Elohim, El Shaddai, Adonai and others—we gain clearer, richer insight into who God is. Learning His names deepens our knowledge of Him, strengthens our trust in His promises, and transforms the way we relate to Him in worship, prayer, and daily life.

THE HEBREW NAMES OF GOD

Seeing something from a fresh perspective draws us in. Unfamiliar words make us pause—slowing us down instead of letting us skim past. The Hebrew names of God open new ways to know Him: familiar ones like Abba or El Shaddai and others you may not have met, such as Eloheanu Olam. Read through these 81 names. When one captures your attention, read its translation and then the Scripture it points to in context. Ask God what He wants to reveal about Himself through that name and journal what you sense on your heart. May this practice deepen your intimacy with God.
