Welcome to the Tent of Meeting Fellowship. Thank you for coming out to our gathering! We hope you will learn more about us. The fastest Church in America is the Micro Church! We are apart of this movement in America! Shepherd Lambur will talk with you and answer question about us. Our mission is to plant many groups through our area. We have a discipleship School to develop you and some may be interested to become team leaders. We do outreach. There are many who would love to be among us and it's refreshing and exciting. Don't forget to watch our Special Movie Presentations on our website or at our gathering!

## Why did we come out of the Modern Church?

We all know that many people who did go to church came to a point and changed their mind about being in a church. First a church is the people not the steeple! There is a long history of the churches and their morphing into churches which no-long resemble the real church we know this by recorded Church history. First of all Yahshua did not come to make a religion but He did come to make a body and a family of believers. He came to have highly personal encounters and an amazing relationship with us!

## What's gone wrong in the Church?

In our age, we need to untangle ourselves (and others) and reassemble the church. The modern church has become a tangled mess, with its center out of sync. Like a planet out of its orbit, it has lost its way and, as a result, has become increasingly similar to the fallen world and its fallen children. It is hard to tell the difference today, because we have a mixture of tares among the wheat! It's essential that we redirect our focus of the modern church back to the foundational practices of the early church, simplifying our gatherings and making the Spirit of God our central focus!

## Our Chief Shepherd Yahshua

Yahshua is the Chief Shepherd, actively seeking to lead the lost sheep those who have wandered off the path. Many have strayed due to the traps of man-made religion, which deceives them, often consisting of smoke and mirrors, drawing people farther and farther away from the truth. Yahshua's desire is to guide these souls back into His remnant, where they can find true belonging and purpose. It's a call to return to the simplicity and authenticity of His teachings, allowing His voice to lead us back to the heart of our faith.

## The Third Great Awakening – Reformation & Revival!

We are being awakened by the voice of Yahshua, the Head of the Church, calling us to simplify and reform the Church based on the foundation and practices found in the book of Acts. We must let go of programming and allow the Spirit of God to be our central focus within our gatherings! Rather than being program-centered, we need to be Scripture-centered, engaging face to face as the body of Messiah Yahshua. We are called to be the children of light who walk in the light His truth and having the light of fellowship between us! How rich is that! Our fellowship must be Spirit-dependent and present-focused; this is the way of the first church! Our path should align with The WAY OF THE MASTER YAHSHUA, where the church gathered together in groups.

## Our Main Focus As A Church!

The simplicity and power of the Church in our times can be seen in several ways:

1. The early church prioritized doctrinal teaching in their fellowships to establish a solid foundation.

2. They broke bread together (taking meals & the taking of communion together) and genuinely knew one another, benefiting from the fact that the church is both a body and a family.
3. Prayer was a cornerstone of their gatherings, providing immense power to change individuals' lives and transform the circumstances of the fallen world around them, setting the path to turn the world right-side up! From this prayer they were guided in their lives, something they won't miss weekly.
4. They soaked in the Times of Restoration from the present of the Lord, Worship from their hearts opened portals where His Divine Presence in encounters brought in the Lord speaking to them.
5. They were led to practice "One-Anothering" to one another as found within the scriptures.
6. Develop Disciples that grow into Team Leaders resulting in new plantings.
7. Spreading the Messiah Yahshua to as many people we can before Yahshua comes back.

### **Detangling the modern Church today means embracing a reformation and revival.**

It requires us to return to the core of the church and reestablish the foundations that should never have been altered. We need to follow the Bible without the extra complications that muddled the church, adhering to the simple scriptures. The way to regain the church's direction is to return to what the Holy Spirit has recorded. We must not leave behind the truth in pursuit of alternative ways to do church, as that leads to deception, the work of the devil. The simplicity of following the ordained scriptures in Acts and the Epistles begins with those who are sold-out followers of Yahshua. The path the Apostles walked out is the same that the Holy Spirit inspired in writing that guided them. We are being called now. Will we be among those who follow His lead, answering the call to follow Messiah and His word? He promises that we are more than conquerors as we engage in His plan!

### **The Micro Church Experience**

The Micro Church fellowship gatherings start in a small communal setting and then multiply themselves birthing new plantings through outreach [charging our experience]. Each Micro Church fellowship gathering is connected to a hub or network of Micro Churches working together making an impact in each region. Here are some traits that Micro Churches express in their meet up meetings which you will find; these are different from most modern churches:

- A. Devotion – It takes people to commit to coming together in order to experience the benefit of what the Holy Spirit imparted in the early church.
- B. Impute – Because this is a group setting each person participates in the meeting. Growing spiritually starts here with asking good questions to receive good commentary adding growth.
- C. Faith Relationships – Our focus here is for everyone gathered to receive the light of revelation so that we can enjoy and communicate with each other, align ourselves being unified; becoming of one mind and one heart, sharing with each other so that we can fellowship in His light!
- D. Worship – We all need to enter-in to His presence which comes as we magnify and give thanks from our hearts to the God head, worshiping the Father, Son and Holy Spirit.

### **Two Looks At The Impact Of Small Gatherings!**

Matthew 18:20 - For where two or three are gathered in My name [meeting together as My followers], I am there among them." [His Divine Presence]

1 Corinthians 14:24 -26 But if all prophesy [foretelling the future, speaking a new message from God to the people], and an unbeliever or outsider comes in, he is convicted [of his sins] by all, and he is called to account by all [because he can understand what is being said]; the secrets of his heart are laid bare. And so, falling on his face, he will worship God, declaring that God is really among you.
